

## ADVISORY

**Advice and guidance for all things related to your company culture.**

Our advisory services are available in a one-on-one setting, on a weekly or bi-weekly basis, with additional on-demand access as needed.

## ADVISORY AREAS

- **Making difficult decisions:** faced with a tough decision or unsure of the best action to take.
- **Solving problems:** facing a challenge or issue that you are unable to resolve or need to talk and walk through solutions.
- **Developing new skills:** want to learn new skills or improve your performance in a particular area of leadership, management, or role.
- **Achieving personal or professional goals:** trying to achieve specific personal or professional goals and need guidance on how to make progress.
- **Improving a specific area within the culture:** as a leader or individuals looking to make positive changes within the workplace culture.
- **HR or Employee Relations matter:** you have a confidential internal employee matter and need advice and guidance on how to best handle it.
